**LIFE INSURANCE** — Ben Kerfoot, 3003 Olive St., Lemon Grove, stands in his backyard bomb shelter, designed in 1961, during the Cuban crisis as a positive life insurance. The steel cylinder, lying below the earth's surface, is 8' x 13' and is equipped with provisions necessary to maintain existence for 8 people for 6 weeks. While the shelter is not used for its primary purpose, Kerfoot says it comes in pretty handy when they have overnight guests, as it can be used as an extra sleeping area.

## Dr. Califano Back From L.V. Medical Meet

Dr. Paul Califano, a Lemon Grove podiatrist, has just returned from scientific meeting of the American College of Foot Surgeons at the Dunes in Las Vegas. New concepts of foot surgery to correct chronic foot complaints and foot deformities were presented.

Principal speakers were Dr. Henri DuVries and Dr. Matthew Borovoy. Dr. DuVries presented new surgery techniques for the correction of corns and callouses on the ball of the foot. Dr. DuVries is associate professor of orthopedic surgery at the University of California Medical School.

Dr. Borovoy, a leading Michigan podiatrist, presented new techniques in the use of wiring in foot structures and surgical correction of deformities.

## Bond Issue Meet Tonight

Citizens of the area have been invited by President Rexford L. Hall, of the Grossmont Union High School District Governing Board, to attend an important general meeting scheduled for tonight, at 7:30 p.m., in the Grossmont High School Cafeteria, Murray Avenue, La Mesa. Mr. Hall stated that the purpose of the meeting is to brief interested citizens from each of the eight high school attendance areas regarding the need for the proposed bond issue election to be held on April 18.

Citizens in attendance at the February 16 meeting will form the nucleus of the committees in each of the eight high school areas and will have the responsibility for recommending various building projects needed at the local school level. A districtwide citizens' committee will, in due course, make final priority recommendations to the Governing Board.

It is anticipated that from three to five hundred citizens will attend the meeting. All interested citizens are welcome. No direct invitation is required.

## Company Champ Is H. A. Lenox

H. A. Lenox, 2627 Niva Rd., Lemon Grove is a communications consultant for Pacific Telephone Company and is also a member of the organization's volunteer speakers' bureau.

Lenox, the present champ of company speakers, talks on the average of three times a month to community groups.

## E. F. Miller Heads NFIB

E. F. Miller, of Miller's Dairy, 7953 Mt. Vernon st., Lemon Grove, has been named chairman of the Spring Valley Lemon Grove chapter of the National Federation of Independent Business. He replaces Dr. Frank D. McKenney, who died early last week.

The announcement was made by W. B. McDaniel, district manager in this area for the Federation.

The group polls its members on matters which affect independent business and these findings are made available to the district's Congressman and State Senator.

## Crusade Leaders To Be Honored

Lemon Grove and Spring Valley 1966 United Crusade leaders along with firms and employee groups who made outstanding contributions to the annual fund drive will be honored at the United Community Services Annual Meeting and Awards Dinner to be held Monday evening, at Vacation Village on Mission Bay.

In addition to Crusade recognition, honor will be paid to the twenty-seven county-wide citizens who were responsible for organizing UCS five years ago.

This year's United Crusade general chairman will be introduced to the 400 persons attending, along with the new UCS board president and officers elected to serve with him.

## Grove Women Ready For Measles Clinic

The Lemon Grove Woman's Club will staff a measles clinic jointly with its Vogue and Junior membership on Feb. 25.

In all, 22 women will administer to children one to ten years of age as they are immunized at Encanto school.

A donation of \$1 is asked although no child will be turned away because of inability to pay. Clinics will be staffed entirely by volunteers. Physicians from the S.D. Medical Society will be assisted by volunteer nurses. Mrs. William Sayward and Mrs. J. J. Bowers are co-chairmen of the project for the Lemon Grove clubs.

The women will serve from noon until 4 p.m.

## Gas Explosion Damages Lemon Grove Apartment

An apartment at 3702 Hill-top dr., Lemon Grove, was extensively damaged by explosion and fire early Tuesday but no one was injured. The fire apparently resulted from movers using a potato to cap a gas line.

The fire was restricted to an unoccupied apartment in the six-unit building.

Firemen, responding to a call from apartment manager Wilbur R. Kurz at 3:10 a.m., said the fire was probably caused by a pilot light in a wall heater igniting escaping

gas from an uncapped gas line. The explosion which followed blew out the windows in the apartment. Glass was blown more than 50 feet away.

Fire Marshal Ray Carmody said. The front wall of the apartment was moved forward more than a foot and the other three walls were moved in opposite directions an inch or more. "It's the largest apartment in the building, now," Marshal Carmody said.

Kurz told firemen he was awakened shortly after 3 a.m. Tuesday by the explosion and saw apartment five in flames.

Carmody said a potato had been used to cork a kitchen gas line after movers were unable to turn the gas. Firemen discovered that the gas to apartment three had been

turned off and speculated that workmen disconnected the wrong meter valve and having no caps used a potato.

Fire Chief Fred Dixon said the pilot light in the living room probably exploded the gas as the temperature dropped in the early morning hours.

Betsy Jane Bevier, last to occupy the apartment, told sheriff's deputies that movers had plugged the kitchen gas outlet with a potato when they failed to find a cap after disconnecting the stove Monday afternoon.

She said movers were unable to find a gas shut-off valve. Two kitchen windows were blown out, and walls and ceiling were cracked after the fire explosion, deputies said.

## Republican Assembly Hears Don Keller

The Lemon Grove Republican Assembly held a dinner-meeting at 6:30 p.m. Feb. 7 at the VFW Hall, Lemon Grove. The guest speaker, District Attorney Don Keller warned that teen agers would be better off drinking iodine than taking LSD, due to the lasting effects and serious complications which may result from the use of the drug.

Speaking of the steady increase in the narcotics traffic in San Diego County, Keller said that delay by the authorities in recognizing the problem has set his Department back eight years in keeping up with the problem. He also stated that recent Supreme Court rulings regarding search and seizure have seriously handicapped his department in the prosecution of narcotics offenders.

More than 85 persons attended the dinner which also served as CRA's "thank you" to the many volunteers who worked so hard in the last campaign. A special analysis of the election results in Lemon Grove was also presented by Bruce Johnson, 77th Assembly District Precinct Chairman, and Mrs. Patricia Steiger, district field secretary for the Republican Central Committee.

Ron Larkin, newly elected president of the group said the new officers for 1967 were also honored at the dinner. These included Mrs. Betty Ruiz, 1st vice-president; Alvin Frohne, 2nd vice-president; Mrs. Joanne Balaban, secretary; and Mrs. Audrey Larkin, treasurer.

The next regular meeting of the Lemon Grove Republican Assembly will be held in the Lemon Grove V.F.W. Hall on Imperial Avenue, on Mar. 7, and all interested Republicans are cordially invited to attend.

## Old Times Days Dinner Re-Scheduled

Lemon Grove Old Times Days kick-off dinner originally scheduled in January and cancelled because of conflicting dates, has been rescheduled.

It will be held March 11 at Lemon Grove Bowlero, according to Catherine Gee, dinner chairman.

She said a program is planned featuring an outstanding television or newspaper personality.

Old Times Days is planned as a three-day event in Lemon Grove May 25, 26 and 27, built around a parade.

The project was developed by the chamber of commerce but is now sponsored as a separate entity.

The dinner will be at 8 p.m. with a social hour preceding it.

## 'Girls' to Feature European Girls

"Viva les Girls", opening Feb. 28 at Circle Arts theatre, features "the most beautiful dancers and show girls of Europe" according to Pat Doty, publicist for the theatre.

The French musical extravaganza with a show-girl background will be presented Tuesday through Friday at 8:30 p.m.; Saturday at 6 and 9 p.m.; and Sunday at 8. A special family show will be presented Sunday at 3 p.m.

## School Board Sets Budget Hearing Date

The Lemon Grove school board, looking well ahead, set August 7 as the date for the public hearing for the 1967-68 district budget.

Trustees also approved the appointment of Louis Poluzzi as acting principal at the Lemon Grove Junior high school, replacing Robert Sutton who is taking a sabbatical leave starting in September. When Mr. Sutton returns for the 1968-69 school year he will be Doctor Sutton—if he successfully completes his doctorate program at Cal-Western.

Teacher Tom Brogan, will move into Poluzzi's spot as administrative assistant to the principal.

The board also approved acquiring additional reading specialists to facilitate the Miller Unruh Reading Act which becomes effective next year. One teacher each will be required to provide supplemental reading instruction to pupils in grades 1, 2 and 3.

Additional funds will be written into the budget to accommodate the program.

## Fire School Set For Local Firemen

Area firemen will take part in the Fire Fighting Tactics school scheduled for Del Mar Feb. 27 to March 4.

Lemon Grove Fire District will have 13 men attending school, together with more than 100 firemen or "bombers" from south of the border.

Two Mexican firefighters will live at the Lemon Grove Fire Station. Their expenses will be paid by the Fire District Employees and Families, and the L.G. Lions and Kiwanis clubs.

The program is arranged jointly with the County Fire Chiefs Association and the California State Firefighting Training Office.

## L.G. Optometrists Are Confab Delegates

Two prominent Lemon Grove optometrists will be among the delegates attending the 68th annual Congress of the California Optometric association which will be held in San Francisco, Feb. 21-25.

Dr. Amorita Treganza, of 3415 Imperial Ave., in Lemon Grove, will share 2-hour lecture on "Perceptual Skills through Visual Training" on the post-graduate educational part of the program with Dr. W. Keith Wilson, of Chula Vista. Dr. Treganza specializes in visual training and remedial reading, it was announced. She serves as chairman of the committee on visual problems of children and youth of the San Diego County Optometric society.

Dr. Calvin Nicholl, a past-president of the San Diego County Optometric society, also will attend the conclave.

## Asks \$1.65 More Home Phone Rate

A desperate need for improved earnings" is the basis for a plea of the Pacific Telephone Co to the Public Utilities Commission for permission to increase its rates.

Increases totaling \$153 million in gross annual revenues for telephone service rates were prosed. In addition, the company asked increased charges totaling \$23 million annually for telephone directory "Yellow Pages" advertising, which would become effective directory by directory over a two-year period as new directories are issued. The increases are designed to bring company earnings up three points—from 5.2 to 8 per cent.

If approved by the Commission, one-party rates for residence customers in Lemon Grove and Spring Valley would increase from \$4.20 per month to \$5.75 per month. Basic business service would go up from \$12.80 per month to \$15.30 per month.

The company cited its need to expand and improve telephone service in California, the resulting necessity for huge construction expenditures, higher costs and steadily declining earnings as reasons for the requested increase.

"To keep abreast of California's population growth and economic development, Pacific has had to spend in the past three years, 1964-1966, more than \$1.3 billion for new construction.

"The demand for service remains high. During this year and the three following years, Pacific faces an additional outlay of about \$2.1 billion. This money conservatively represents construction expenditures essential for maintenance of the service," the company said.

It stated its rate of return on California operation for 1966 was 5.2 percent, "the lowest among major telephone companies in the United States." The new rates are calculated to give the company a rate of return of about 8 percent, "the average of other large telephone utilities," while keeping rates among the lowest in the nation.

The application said Pacific Telephone's present service is, "good, but not all that it could be and should be." It cited the need to introduce on a broader scale such service improvements as wider local calling areas, Touch-Tone dialing, new services to increase the efficiency of business customers' operations, establishment of one-party service for all urban subscribers and the undergrounding of facilities.

The company also noted that \$34 million in wage and fringe benefit increases went to union and non-union employees last year, of which \$22 million will affect California operations, and cited higher cost of debt and equity capital and the higher cost of plant per telephone.

## Race Track Board is Sloppy

What a mess! The board of the 22nd Agricultural District Association brought no credit to itself during the negotiations for the 20-year lease on the Del Mar race track.

The Association awarded the lease to the John S. Alessio interests in September, although this group was the second highest bidder. A group of east county business and professional people, known as the San Diego County Turf Club, was high bidder.

The group, although rejected by the Fair Board, is comprised of those who have impeccable backgrounds of business, professional and private life and the running of the race track was to have been by some of the most experienced and distinguished personalities in the sport.

The Executive Committee of the high bidders are Paul Carter, chairman; Ward Howell, Bob Rundell, and Catherine Spencer.

Active in the group are Drs. Lowell Smith and William Herick, Charles Garrett, Ed Knopp and George Thomas. The Board can find no fault with these people.

As a matter of fact, there is no question of integrity of either of the competing groups. The problem concerns the operation of the Fair Board.

It was back in mid-summer when this column opined that the Fair Board had better hurry with the awarding of the least lest a change in the political climate in Sacramento might find them doing business with unfriendly natives.

That opinion was prophetic. We suspect the Board will find little sympathy for their present determination.

The east county folk bid 18 per cent of the track's gross, while the Alessio people bid 11.42. This is a variance of about a million a year on the track's anticipated receipts of \$55 million for the six weeks' schedule.

Because there has been no publicly announced reason for making the award to a group that would cost taxpayers a million a year, we suggest that the Board may be personally liable for the difference.

The award to the second bidder is irregular in the state's sealed and secret bidding processes. The re-opening of the bidding, with the second highest bidder raising his offer, makes it an auction and adds to the irregularity.

The Fair Board apparently is determined to give the lease to the Alessio people. Robert Harkness, until replaced by Andrew T. Lolli, as state general services director, refused to sign the original lease for the state. The Fair Board will present the new, higher Alessio offer to Lolli Friday.

We submit: 1. There should be the highest degree of integrity in government bidding and awards;

2. The award should go to the high responsible bidder in line with announced conditions;

3. High, sealed bidding should not be re-opened unless there are extenuating circumstances.

Therefore, the lease ought to go to high bidder as of the September bid opening—and the present Fair Board should be kicked out of office for presenting the sloppiest arm of state government in existence.

## 'Second Collision' is the Killer

A recent article in TRAFFIC SAFETY magazine reminds motorists that it's the "second collision" that kills you.

That's the one which occurs a split second after your car crashes into a stationary object or another vehicle. The second collision is the impact of your head or some other vital organ slamming against something inside or outside the car.

The article analyzes 139 fatal automobile accidents in Michigan studied intensively during a four and a half year period by Dr. Donald F. Huelke, Ph.D., Associate Professor at the University of Michigan Medical School.

From the myriad of gory details revealed by the study, comes supporting evidence of a fact well-known to traffic safety authorities, but apparently given little credence by the average motorist.

Of the fatalities reported on, 41 percent were thrown from the car. And although a few were ejected through the windshield, (continued on page 4)

## Free Blood Pressure Testing Clinics Set For Feb. 17-18

The second in a series of free blood pressure testing clinics will be held Friday and Saturday (Feb. 17-18) in the Jolla said volunteer doctors and nurses of the San Diego County Heart Association will be at the May Co., Mission Valley Center.

Dr. David Carmichael of La staff the clinics from 7 to 9 p.m. Friday and from 11 a.m. to 4 p.m. Saturday.

Public interest in heart health is indicated by the 500 persons tested at the November clinic, he said. Others are planned throughout the county this year at sites convenient for people in all communities, he added.

"Research has found that controlling blood pressure, weight and cholesterol intake

are means individuals can take to reduce their risk of heart attack," Carmichael said. "So are non-smoking, proper exercise and physical check-ups."

Anyone interested may have a free blood pressure check Friday or Saturday, Carmichael said.

## Men's Club to Hear 'Synanon' Delegate

The Lemon Grove Men's club will meet at noon Friday at the Brunswick Bowlero, 7065 Broadway, Lemon Grove.

The guest speaker at the meeting will be a representative from Synanon, who will tell about the program which seeks to rehabilitate drug addicts.

**REUNION PLANNED** — The Lemon Grove Juniors will host a noon Reunion luncheon, Feb. 21, at the clubhouse, 2810 Main St., Lemon Grove for all the women associated with the Juniors since the organization was established in 1945. Left to right are:

Mmes. Mervin R. Christian, ways and means chairman; A. P. Schnell, honorary life advisor and original co-ordinator of the Lemon Grove Juniors; and J. L. Bowers, club president.

Read Luke 9:18-27  
If any man will come after me, let him deny himself, and take up his cross daily, and follow me. (Luke 9:23)

Did Jesus expect each one who followed Him to become a martyr and give his life on a cross?

It seems rather that He was telling His followers to master the things which would harm them: to overpower temptations, to uproot sins. He did not teach them to follow the crowd but take the lead for righteousness.

This is difficult, but he that would overcome must be in command and lead the attack. Most athletic coaches realize that a strong offense is the best defense. The strategy is to force the other team to play one's own kind of game.

This is also true in dealing with sin and evil. Sin deceives and defeats us when we are half-hearted in our discipleship to the Master.

Jesus did not sidestep sin and avoid confrontation with evil. He faced it and did not let it overcome Him. Though He suffered death at the hands of evil, He came forth in victory. This conquering Christ promises to be with us always.

Prayer: Our Father who art able to work for good and through all things, guide our thoughts and acts. In Thy strength, help us to overcome the evil that tempts us and master it with the good, which is a gift from Thee. In Jesus' name. Amen.

Thought for the day: Christ's followers put sin on the defensive.

## "WHAT CAN YOU DEPEND ON?"

Do people let you down? Do material remedies fail? Does the pursuit of happiness and success through the conventional channels seem fruitless or disappointing, to say the least?

Don't be dismayed — there is a source of true dependability that is ever available and operative, and you can learn of this source and how to use it by attending a public lecture on this subject by Glenn L. Morning, C. S. B., a member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Massachusetts.

**PRE-LENTEN PROECT** — The ladies of Court of Teresa of Avila, Catholic Daughters, assisted by friends, held a pre-lenten baby shower for the religious-civic effort, entitled Relief for Peace in conjunction with Project Handclasp, gathering over 500 pounds of clothing and blankets for infants of ravaged war zones. Feting the project's

completion, the ladies held a buffet luncheon Feb. 9 at the home of Mrs. Chas. Sword, 6995 Central, Lemon Grove. Left to right are Mmes. E. H. Loveland, area chairman for World Missions; John Korpiita, grand regent, Court of Teresa of Avila; and Chas. Sword, luncheon hostess, as they prepare the items for shipping.

## Area Court of Catholic Daughters Benefits War Victims through Lenten Clothing Drive

The Court of St. Teresa of Avila, Catholic Daughters of America, sponsored a "Baby Shower," Feb. 8, for Relief of Peace.

The drive, a pre-lenten activity aiding one facet of the 13 point World Missions Program, under the auspices of the CDA, was inaugurated by the ladies as a volunteer movement to collect baby clothing and related items for victims of the Vietnamese war.

Working in conjunction with the Navy's "people to people" program, Operation Handclasp, the ladies gathered and sorted over 500 pounds of necessary items, including baby

clothes, blankets, shoes, books, games, carriers, and sundry cosmetic items such as baby oil and powder.

Upon collection, the materials were taken to the 11th Naval District, San Diego, where Operation Handclasp, under the supervision of Cmdr. William R. Wagner, Jr., West Coast director for the program, acted as a transportation agent, and assumed responsibilities for delivery of the collected merchandise. The Navy's shipping procedure will send the goods on war-

ships en route to the Western Pacific on a space available basis.

Feting the culmination of the clothing drive, the Court of St. Teresa held an Ash Wednesday buffet luncheon at the home of Mrs. C. Sword, 6995 Central St., Lemon Grove, for 66 ladies, who participated in this contemporary and progressive Lenten sacrifice.

Mrs. E. Loveland, 2335 Di Foss St., Lemon Grove was area chairman for the event, assisted by the Grand Regent of the Court of St. Teresa, Mrs. John Korpiita, 7345 Mt. Vernon, Lemon Grove.

## L.G. Woman's Club Juniors To Choose 'Citizen of Year'

The monthly meeting of Lemon Grove Woman's Club Juniors will be held tonight at 8 p.m. at 2810 Main Street, Lemon Grove.

A nominating committee will be selected for elections to be held in April.

The members will choose Citizen of the Year and Outstanding Junior.

The program will feature a demonstration in "do-it-yourself millinery for the Sew & So in Mission Valley."

Guests for the evening will include members of Lemon Grove Woman's Club and the Vogue section.

Hostesses are Mmes: Vern Atkins, William Jackson, and Fred Johnson, Jr.

The Juniors will sponsor a cartoon show for kiddies at 10 a.m. and 2 p.m. Saturday at San Miguel School, Lemon Grove. Admission is 25c, popcorn will be sold for 10c. Mrs. Robert Samson is in charge of

the event. A reunion luncheon to bring together all past members of the Juniors is being planned for Tuesday at 12 noon at the clubhouse.

Members from as far back as 1945 when the club was known as the "Forward Club Juniors" are invited. Mrs. A. P. Schnell started the club. It became known as Lemon Grove Juniors when it was affiliated with the General Federation of Woman's Clubs in April, 1951.

Entertainment at the luncheon will feature past events from club history.

Mrs. J. L. Bowers, president, 1274 Koe St., San Diego and Mrs. William K. Jackson, 1298 Navajo St., El Cajon are taking reservations.

What may be an original score of Chopin's Mazurka in C Major has been found in Japan.

## Reciprocity Tea To Be Poured Here

The Executive Board of the Lemon Grove Women's club will meet Wednesday at 9 a.m. at the clubhouse to conduct club business.

The club's Reciprocity Tea will be Feb. 24 at 1:30 p.m. A speaker from the Volunteer Bureau will tell that "There is Humor in Growing Old," according to Mrs. R. E. Ball, program chairman.

At the meeting, two scholarships will be awarded. One each will go to Helix and Mt. Miguel high school students. Mrs. Paul Harvey is scholarship chairman.

## Ballet Opens Spring Season

The first program of the San Diego Ballet Spring Season will be staged at 8:30 Friday evening, Feb. 24, at the Showcase Theatre, 3255 Fifth Ave., and continue for three weekends thru March 11, on both Friday and Saturday nights plus matinees on Saturdays. Every performance will include the full-scale productions of "Con Amore," "Celestial Fantasy," and "Romeo and Juliet."

"Con Amore," choreographed by Lew Christensen of the San Francisco Ballet, has enjoyed popularity with professional companies nationwide since its premiere at the New York City Ballet in 1953, at which time the leading role of the Mistress was performed by Nancy Johnson.

## Cortez-Bevier Vows Exchanged In Friday Nuptial Ceremony

Miss Betsy J. Cortez, daughter of Mr. and Mrs. Leonard F. Daniel of Drayton, So. California and Robert L. Bevier, Jr., son of Mr. and Mrs. Robert L. Bevier, Sr., 2241 Berry St., Lemon Grove were united in marriage at a double ring ceremony, at 6 p.m., Feb. 10, at the First Congregational Church of Lemon Grove. The Rev. Ernest Fowler officiated at the ceremony.

The bride chose an egg shell taffeta dress with a lace overlay, accented by turquoise accessories and carried a bouquet of turquoise ribbon roses.

Matron of Honor was Mrs. Duane McLaughlin, of San Diego, who wore a pale blue chiffon dress.

Best man was Raymond L. Bevier, brother of the groom.

A reception was held Saturday evening, Feb. 11, at the home of the newlyweds, 2242 El Prado, Lemon Grove.

The bride attended schools

back East and is now employed at Bill's Coffee Shop, Lemon Grove.

The groom, a Mt. Miguel High School graduate, served three years in Germany with the U.S. Army, and is currently employed at National Steel Shipyard, San Diego.

## Visitors to Officiate At Eastern Star

Guest Night will be observed at La Mesa Chapter no. 300 Order of the Eastern Star on Tuesday at 8 p.m. and will be held at the Masonic Temple at 4731 Date Street, La Mesa.

Guest officers from the 97th District will preside for the opening ceremonies. All officers from the twenty-three San Diego County Chapters are invited. Worthy Matron, Mrs. George Selby and Worthy Patron George Selby with their officers will preside for the remainder of the meeting. Jr. Matron, Mrs. Leonard Leveritt is the general chairman for the evening festivities at the after-chapter party.

RECENTLY WED—Miss Connie Sue Strehle, daughter of Mr. and Mrs. Arnold Strehle of 2270 Peppermint Lane, Lemon Grove and Thomas G. Pehrson, son of Mr. and Mrs. Linden E. Pehrson of La Mesa, were united in marriage at an afternoon ceremony at the Brooklyn Heights Presbyterian Church, with Rev. Ellis Shaw officiating. The newlyweds will reside at 7979 Central St., Lemon Grove.

## Symphony Hosts Leonard Rose, Cello Virtuoso

Leonard Rose, America's most famed cello virtuoso, plays works by Saint-Saens and Tchaikovsky when he joins Maestro Izler Solomon and the San Diego Symphony Orchestra for its next concert on Tuesday evening, Feb. 21, in the Civic Theatre. The program will begin at 8:30 p.m.

Rose became a member of the cello section of Maestro Arturo Toscanini's famed NBC Symphony Orchestra in 1938. Three weeks later he became the assistant principal. In 1944 he became the principal cellist of the New York Philharmonic holding that important orchestral post until their appearance at the Edinburgh Festival in 1951. Since then Rose has become one of the most sought after and lavishly praised virtuosos in the world.

In addition to his performances with the world's great orchestras last season Rose performed four times in New York and appeared at the White House, an honor accorded one other cellist—the venerable Pablo Casals. Rose regularly appears as a member of the "Million Dollar Trio" composed of Isaac Stern, Eugene Istomin and Rose.

Izler Solomon, conductor of the Indianapolis Symphony Orchestra is returning for his second appearance with the San Diego Orchestra this season. He has programmed Eugene Zador's "A Festival Overture" and Dmitri Shostakovich's Symphony No. 5 in addition to the works he will perform with Rose, the "Rococo Variations" by Tchaikovsky and the Saint-Saens Concerto for Cello and Orchestra.

Tickets for the February 21 concert are available now at the Civic Theatre Box Office, 3rd and B streets in San Diego. For information call the box office, 236-6510 or the Symphony Office, 232-3078.

## Disease Conquers Nature?

It is only by observing the experiments of nature that we learn the secrets of biological life. Man is the servant of nature. Where is nature? It is inside or outside man? How does "nature" make life live in matter? Does "nature" enter the body through artificial manufactured vaccines, proprietary medicines, injections, pills? Does "Nature" come in bottles, taken by teaspoon, following a Latin prescription to a druggist? What are these "experiments of nature"? Man should observe? Are these "secrets of biological life" so hidden, concealed, that they cannot be revealed? If man "is the servant," then "nature" must be the master. Can "the servant" order or force the master to do what "the servant" thinks? Man first should be a "student of nature", where "nature" has been "prevented by disease". What are these "secrets of nature" when man is well? Are they inside his body or outside? If they are inside when he is well, are they outside when he is sick? If nature has inside "secrets" which work when he is well, why do they refuse to work when he is sick? Why does another person outside have to manufacture outside artificial substitutes to try to correct internal "secrets of nature"? If the inside "secrets" are all-sufficient when man is well, why are they a total failure when he is sick? If the inside "secrets of nature" are all sufficient when he is well, it would be wise to let them work just as efficiently when he is sick! If "nature" is sufficiently all-important in living well man, why is "nature" totally absent in the medical mind that ignores it? Is it consistent, or inconsistent, for medical men to mysteriously say "Nature cures", and deny that statement in practice, by giving countless drugs, hoping to accomplish that end? Is "nature" a vague something that just happened a million years ago; something that governs suns, moons and stars, that keeps them in space? Is "nature" a tangible reality found in the world at large; and intangible in living things that gave it birth, and directs throughout life, and leaves the body at death? If it is in animals, fish, birds, germs and even lowly man, it would be better to study the "nature" in each of us more, and the diseases it loses control of less. Chiropractic adjustments have helped millions of people, maybe even some of your own friends or relatives, every year in just this country alone. Your health problem may respond favorably. ## Learn Spanish the Easy Way

## Hardison's Telespanish

by James Hardison

The word "Caballero," has an interesting origin. It is a derivative of the word "caballo" which means "horse." The ending "ero" is used to mean "one who deals with, works with, or rides on something." Thus "caballo" with the ending "ero" combines to make "caballero."

Varied usage changed the original meaning. Men who worked with or rode horses became known for their manly manners and gentle gestures with the women. The word underwent a change and became known more popularly as "Caballero" (gentleman). Not that every man who worked with horses in those days was actually a gentleman, it was supposed that if he dealt gently with horses, he could as easily be a gentleman with the ladies.

Today, even though there are fewer horsemen, the use of the word "caballero" continues to mean "horseman" but is more predominantly used to mean "gentleman."

Some gentlemanly expressions are presented in today's lesson. Read them over and pronounce them with the phonetic guide provided. Then review your pronunciation by dialing 276-2762 on your telephone where you will be able to practice the same words and expressions with the two minute recorded voice.

## IMPORTANT EXPRESSIONS

Say "El caballo es grande." (ehl kah-BAH-yoh ehs GRAHN-dah)  
for "The horse is large."  
Say "Como heno." (koh meh EH-noh)  
for "(He) eats hay."

## HOUSEHOLD EXPRESSIONS

Say "El es un caballero." (ehl ehs oon kah-ba-YEH-roh)  
for "He is a gentleman."  
Say "Ella es una dama." (EH-yah ehs oon-nah DAHM-mah)  
for "She is a lady."

## OTHER EXPRESSIONS

Say "Le gusta montar caballos?" (leh GOOS-tah mohn-TAHR kah-BAH-yohs)  
for "Do you like to ride horses?"  
Say "Mucho." (MOO-choh)  
for "Very much."

## Rehab Workshop Set for San Diego

The California Conference of Rehabilitation Workshops will hold its annual meeting in San Diego in February next year, Francis E. Cohen, executive director of the Sheltered Workshops of San Diego, Inc., reported.

Cohen, who will serve as program chairman for the meeting, Feb. 1, 2, and 3, 1968, said the conference represents about 100 workshops for the physically and mentally handicapped and interested individuals in the state.

Attendance of about 400 persons is expected.

## Slated Flower Arrangement Show to Feature Assemblage

The controversial "assemblage" will be a feature of the flower arrangement show to be presented by the Flower Arrangers Guild of San Diego, Saturday and Sunday, Feb. 25 and 26, in the Floral Association Building in Balboa Park.

Show hours will be 1 to 5 p.m. on Saturday and 10 a.m. to 5 p.m. on Sunday.

Mrs. John Casale of 9372 Loren Dr., La Mesa, show chairman, said yesterday the theme of the show will be "Shades of the Past, Shapes of the Future." The show will depict the evolution of floral design from ancient times to the present. She added that "the assemblage will undoubtedly draw the most interest and controversy."

"The trick to the assemblage," she said, "is to present seemingly unrelated objects in a good, harmonious design. It's a new style in which anything goes, from bicycle parts to rope, rocks, or fine glass, as well as exquisite flowers. The assemblage is colorful, often humorous, should always be well designed, and almost always stimulates an argument."

Other floral designs to be shown will be those of ancient Egypt and China, European mass arrangements of the 17th, 18th, and 19th centuries, early colonial American floral designs, Japanese arrangements of the past and present, and contemporary styles, including free form and abstract.

Mrs. Casale said the Flower Arrangers Guild of San Diego has pledged an annual contribution of \$100. to the San Diego Botanical Foundation to help build the proposed Garden Center in Balboa Park. She said that part of the proceeds from the show will go to that cause. Admission will be a donation of \$1.00.

Application are available now for the San Diego Recreation Department's fifth annual One-Act Play Festival to be held in the Balboa Park Recital Hall on March 20, 21, 22, according to Don Ward, Festival Chairman.

The Festival plays will be presented from 10 a.m. to 5 p.m. on March 20, 21, with the public admitted free. Competent judges will provide critiques for each production at receptions in the Puppet Theater for the casts.

Most representative plays selected by the judges will be presented at a special performance on March 22 at 7:30 p.m.

Festival categories are Elementary, Junior High and High School and Mixed Age.

Co-sponsored by the Century Club, the banquet will also name the boy and girl players of the year. Last year Bill Teasdale, of Fallbrook, and Patricia Bourgeois, of La Mesa, won top honors according to John Brown, Association president.

Boys and girls compete in four age brackets, 10-and-under, 11-12, 13-14 and 15 to 17.

The American people drink more milk than any other beverage except water.

## The Dimmer View

shield or side window, almost two-thirds were thrown out of the car doors.

Here's the main point! Dr. Huelke postulates that some 80 percent of the ejection fatalities could have been prevented by the use of seat belts . . . still more if the doors had been locked.

The federal government recently has taken steps which will undoubtedly make the automobile safer. Such things as safety padded interiors, shock absorbing steering wheels, better door-lock mechanisms, and recessed instrument panels will save a lot of lives. But, the lives saved will be those of motorists who aren't thrown savagely from their car . . . in other words, those belted to the seats and with the doors safely locked.

Because there is no way to "legislate" safe driving habits, the San Diego County Traffic Safety Council will continue to urge, threaten and cajole all car occupants to buckle their seat belts and lock their doors.

## Let's Stop Measles Now

It's time to stop thinking of measles as a slightly humorous childhood disease, says the American Medical Association. Many people don't realize two important things about measles:

First, it's a cripple and killer. Measles strikes millions of children, but the ones left with deafness or mental defects or encephalitis—or even the ones who die—seem to be forgotten by the public. Measles isn't at all a funny disease; it's one whose tragedy isn't fully realized.

Second, measles could be eliminated as a major health threat. Some medical officials believe it could be eradicated in this country within a year. There's no doubt that it SHOULD be. Several types of anti-measles vaccine are available. They are easily administered by your physician and have proven safe and effective.

Measles-susceptible children can be immunized by their family's physician. The best time is when they are approximately one year old. Older susceptible children—those who have neither had measles nor been given measles vaccine—should be immunized as soon as possible, particularly if they are of school age.

In some communities, and in the states of Rhode Island and Delaware, measles has been practically eliminated by concerted, area-wide immunization campaigns.

Such campaigns have been endorsed by the AMA's Council on Environmental and Public Health, but their organization requires the counsel of the local medical society and close cooperation by the community's civic, education, and health organizations. Local physicians are in a position to determine the best way to conduct an immunization campaign in this community.

The most important step is to ensure that your own children are protected from measles. If they have not been immunized, have it done now.

The County Department of Public Health will conduct clinic Feb. 25 and Feb. 26 at 16 locations at public schools. Registration forms are being sent home by children in schools. The Department wants also to reach parents of pre-school children. Registration forms are available at this publication for the latter group.

## Deddah Offers Aid For Brookside Ditch

Assemblyman Wadie Deddah has promised to try to help Brookside residents following a meeting with the Brookside Mother's Committee, he said on Saturday.

"This was my introduction to the problem," Deddah said about the ditch that bisects the Brookside development.

"I am surprised to see such a condition has been in existence for more than a decade and nothing has been done to alleviate a problem which affects the health of everyone and the safety of children," he said on Saturday.

"I hope in my capacity as vice chairman of the assembly's municipal and county government committee to be able to work jointly with local officials to achieve a solution to the problem," Deddah said.

By touring the Brookside ditch which homeowners feel threatens them with flooding, sanitation pollution, traffic hazards, litter and attractive nuisance dangers, Deddah joined a long line of officials who have been contacted by the Brookside Mothers' Committee in the past two and one half years.

Mrs. Diane Klostermeier, spokesman for the committee and hostess for the meeting with Deddah, led the assemblyman on a tour of the mile-long open ditch which divides oncoming lanes of Fairway Drive.

The Brookside development consists of 410 homes in county area nestled between Lemon Grove, La Mesa and Spring Valley. Highways 67 and 94 border the valley floor homes to the north and northwest. The site is a former golf course.

While county supervisors have pledged up to \$70,000 for a cement lined channel, with large culverts and protective fence, the Brookside residents contend the proposal is inadequate for the dangers of the Brookside ditch. The county proposal would have to be matched by an additional \$70,000 from the 410 property site owners.

Brookside residents, Mrs. Klostermeier said, desire a covered cement channel for Fairway Drive, but the now outdated year-old estimate of a \$540,000 cost would require a \$470,000 contribution by the Brookside residents. That would be a prohibitive cost to the homeowners, Mrs. Klostermeier said, pointing out the contribution of all other segments of the community to the complex drainage problem.

Sports Classes  
Badminton, volleyball and volleyball-tennis are being offered along with exercises in a women's physical fitness class now meeting on Mondays and Fridays, 10 a.m. to noon at Balboa Park Gym.

No advance registration is necessary for the free program conducted by the San Diego Recreation Department with Joyce Euper as instructor.

Number of farms in U.S. during 1966 is estimated at 3,258,000, down 4% from 1965. Number of U.S. farms has dropped one-fourth in past eight years.

Business Outlook  
Conference Booked

A conference of the business outlook of San Diego, sponsored by the San Diego Chamber of Commerce will be conducted March 10 at Hilton Inn.

The program, presented by the Economic Research Bureau of San Diego, will feature outstanding experts who will discuss and predict San Diego's economic future.

Panelists and the time of meeting will be announced later.

## Encanto Group Protests Low Income Rental Project

A group of Encanto residents oppose opposition to a rent supplement apartment project scheduled to be built on 61st st. between Skyline and Imperial, just south of Lemon Grove.

The project will cover more than 20 acres and would benefit 250 low-income families who need rent supplement of 40 to 70 per cent from the federal government. Two and three bedroom units, arranged in "cluster style" will be built. The project would be under a seller-builder arrangement.

Gersten Construction of Beverly Hill will be the builder and it would be sold to St. Paul's Methodist church as a non-profit venture. The Rev. Grandison M. Phelps, Jr., pastor of St. Paul's, said construction would start by mid-summer and the cost is estimated at \$3 million.

The opposing group, the Encanto Civic club, claims the project will be "contrary to the economic interest and relative stability of our one-family residential area."

"We feel the project will upset the balance that is established between majority and minority residents—in which there has been little or no racial difficulties," said Mary E. Facette, secretary for the Civic club.

The group has asked the San Diego City Planning Commission to refuse a change in zoning to the developers.

A Planning Commission hearing has been scheduled for Feb. 24 at 10 a.m.

NUMISMATISTS — Representing a local coin collectors' group are numismatists Jim Heine, 2064 Dayton Dr., Lemon Grove and Tom Koenekamp, 3882 Carancho St., Lemon Grove as the duo make final alterations in the resolution, the club is sending to Miss Eva Adams, Director of the United States Mint. The coin collecting club feels that Miss Adams' fine work, manifested during the recent coin crises should not go unlauded. Therefore, Heine, at a Feb. 8 collectors' meeting, held at the Heine residence, drew up the resolution.

## Scholarship Student Goes 'Round The Globe

Marilyn Hass, daughter of Mr. and Mrs. A. C. Hass, 9147 Rosedale Dr., Spring Valley, is the recipient of a scholarship aboard the Seven Seas Division of Chapman College.

The Seven Seas, a "floating college" affords the student the opportunity to academically couple travel and education, as the group visits 17 countries around the world and combines general college courses with the travel.

This semester over 500 students accompanied the S.S. Ryndam of the Holland-American Line, on her bi-annual trip around the world, leaving from the Port of Los Angeles and anticipating arrival in New York on May 25.

Miss Hass, a Mt. Miguel graduate, is a sophomore at Grossmont Junior College and is planning an education major, specializing in home economics.

## Highlands PTA Sets 'Hillbilly' Program

The Highlands Elementary School PTA will hold a Founders Day program at 7:30 p.m., tonight. The program will feature a skit entitled, "Highland Hillbillies."

The cast members, via the skit's dialogue, will reveal the identity of the PTA Honorary Life Membership Award recipient.

Country-western music will be provided by Danny Jackson, Bobby Reeder and Jimmy Hall, fourth graders at Highlands.

Third grade mothers will be refreshment hostesses.

## Kempton Street PTA Honors Founders Day

The Kempton Street School's PTA will hold its monthly meeting at 7:30 p.m. tonight in the multipurpose room of the school. The theme of the program is "Happy Birthday," honoring Founders Day.

Mrs. Lou McCartney will present an honorary life membership award.

Cub Scout Troop 378 will present the flag.

## Church Chancel Is Setting for Cyrano de Bergerac

The Inspiration Players, a professional touring repertory company, will present Cyrano de Bergerac, the classic comedy, in the sanctuary of the First Methodist Church of La Mesa Wednesday, Curtain time is at 7:30 p.m.

The "Players," who have made it their personal inspiration to return drama to its best to Houses of Worship, are comprised of professional actors who have dedicated a portion of their careers to this end. They perform their plays in the chancel, without sets and few props, asking the audience not only to accept secular drama, but to utilize their imagination in providing the settings. The only physical theatrical device relied upon is the colorful costumes.

Additional ticket information is available from the La Mesa Methodist Church, 466-4163.

## Lemon Grove Band Parents To Host 'Honor' Musicians

Lemon Grove Junior High is host this week to over 100 young musicians from eleven counties of Southern California. They represent the "honor band", a select group of students chosen to appear in an honor concert at Mission Bay High School Sunday.

Beginning at 3 p.m. that day, the concert will be directed by Harry Weisgerber, instrumental music director of Lemon Grove District. He was selected for this honorary assignment by the Southern California School Band and Orchestra Association.

Preparing for the concert, Weisgerber said that most rehearsals are scheduled at Lemon Grove Junior High, with a final rehearsal set at Mission Bay High Saturday. It will be followed by a dinner and fun evening at Sea World for the students.

"A great responsibility rests upon members of the Lemon Grove Music Parents Club," Weisgerber said. He added that they are hosting the visitors and are providing for their rooms and meals in members' homes.

He also lauded the efforts of Mrs. Betty Ball, music teacher aid, and Melvin Wood.

## To The Outside World

by Kathy Powell

The column, this week, is dedicated to Mount Miguel's Senior class. And the reason for this is that the particular class in question will dominate most of the activities for this week and next. It's going to be a busy month!!!

Senior graduation announcements went on sale last week after a vote on the three choices of style. It seems so strange to think that with these announcements comes the close of a high school career.

Along with Valentine's Day festivities, this week has been a special one for the Class of 1967. Called Senior Week, all four days have been filled with new activities surprising those concerned. Singing Valentines were ordered and delivered first period on Monday much to the delight (embarrassment, too) of an unsuspecting boy or girl. Today is ABC day or what Seniors call "At last Bermuda and Capri Day." Friday is a dress-up day which is only a preview of tomorrow's well-dressed citizens. M.M. senior, Joyce Varley, should be given a standing ovation for her planning and organization that went in to this activity.

And though they are a little farther off than most of the plans, both Senior Banquet and the Prom are having their fair share of attention. April 19 and May 6 are the respective dates for these two affairs. Both promise to be great successes. More about those when the time comes.

Perhaps the only dark cloud that hovers over M.M. at the present time is hanging over the Matador speech team. As sometimes happens when people plan events ahead of time, two of Mr. Robert Sanders' major speech dates conflict with extremely important ASB functions. Most of the prominent members of the team will have to attend the ASB activities and that leaves Mr. Sanders without a team. But, who knows, maybe we'll have snow! Sorry about that Mr. Sanders!

Meeting to Feature 'Madonnas in Art' Santa Sophia Academy Parent-Teachers' Group will hold their monthly meeting at 8 p.m. tonight in the parish hall, Spring Valley.

Following a brief business meeting, Mr. Peterson of the Fine Arts Gallery will speak on "Madonnas in Art."

There will also be a display by the Boy Scouts group of Santa Sophia, showing their handiwork, equipment, and pictures of various outings and trips.

Mmes. Basil Maloney, Ralph Castellanos, Gerald Schlerth and Robert Schnautz, assisted by the fifth grade mothers will be social hostesses for the evening.

The "Clippers" will hold their ship meeting at 6:30 p.m., Feb. 18.

Calendar Thursday, Feb. 16. Primary department teachers meet at 10 a.m.; Chancel choir at 7:30 p.m.

Saturday, Feb. 18. Clippers meet at 6:30 p.m.

Sunday, Feb. 19. Worship at 8:30 and 11 a.m.; Church School at 9:30 and 11 a.m.; Coffee fellowship at 10:30 a.m.; Niners meet at 6:30 p.m.; Senior Highs and Bible study at 7 p.m.

Tuesday, Feb. 21. Women's Association program and luncheon at 9:30 a.m.; Session meeting at 7:30 p.m.

## GIRL SCOUT CHATTER

By Mary D. Giacinto

Mrs. Leroy Wright, Chairman of the Trefoil-50 Committee announced plans of San Diego-Imperial Council's year-long celebration of its golden anniversary of girl scouting. December 28, 1966 marked the kick-off of the 50th year celebration at the San Diego Zoo on Girl Scout day. The girls purchased a lioness, "Juliette," and presented it to the Zoo on the end of the Zoo's observance of their golden anniversary year.

A Tea honoring founders of the Scouting movement here in the San Diego area is scheduled for Spring. Festive events will continue through next December when a Special birthday party for 20,000 girl scouts in the S.D.-Imperial Council will be arranged. Highlighting the Golden celebration will be Community Night which will be held at the Community Concourse on November 9th.

1,500 members of Councils from California, Arizona, Hawaii, Nevada, Utah, Guam, and American Samos are expected to attend the Conference November 8th through 10th, 1967. Since it is early in the year, Mrs. Wright expects more activities to be added during the year. Mmes: W. Rockety, M. Ibs Gonzales, J. Ingram, H. W. Baltz will assist Mrs. Wright.

Theme for the golden celebration will be "Girl Scouting. Values to Hold—Worlds to explore."

District X which includes Lemon Grove and surrounding areas, will hold their annual Re-Girl Scout Leadership Round-up at Camp Davidson in Pine Hills. Purpose of the Round-up is to train and acquaint leaders in craft demonstrations, game experiences, sunrise hikes, campfire singing and many more games of interest.

Attending from Area X are Mrs. V. Hall, Dist. X Chairman, Mmes: R. Carlson, B. Stalnaker, F. Simpson, J. Leamons, C. Dickenson, P. McCormick, P. Parnell, B. Morgan, L. Dewald and Miss Pat McCormick.

## Church Women Slate Meeting

The Woman's Association of Trinity Presbyterian Church will meet at 9:30 a.m., Feb. 12 in Fellowship Hall. Topics to be discussed at the study group include: "To Strengthen our Faith," "To Widen Our Fellowship," "To Enjoy The Food," and "So, Lets Get Smart Together."

The "Clippers" will hold their ship meeting at 6:30 p.m., Feb. 18.

## Mail Bag

Dear Editor:

We hope you will help us in reaching parents of children between the ages of one and five. We want to alert them to the End Measles in San Diego County project.

You may have wondered just how much is at stake in the End Measles program, scheduled for Feb. 25 and 26. We estimate that some 75,000 children from one through nine years of age throughout the county have not had measles or measles vaccine and are therefore susceptible to the disease. One out of six children who have measles may have a serious complication such as ear infections, pneumonia, deafness, encephalitis, or mental retardation. It is to prevent these complications that the San Diego County Medical Society and San Diego Department of Public Health, in cooperation with other official and voluntary agencies, are sponsoring the End Measles vaccination clinics.

The schools are cooperating in the distribution of registration forms which will reach parents of children five through nine years of age. It is even more important to reach parents of children in the one to five age group. In similar mass immunization programs, newspapers have proved very effective in reaching this part of the population. In Rhode Island, for example, 25 percent of the children who were vaccinated brought with them registration forms that had been clipped from newspapers.

Thank you very much for whatever assistance you may give, and for your continuing cooperation in keeping the

## National AAU Fights Carded for Sports Arena

San Diego is preparing to entertain the world's outstanding service and civilian boxers in its new International Sports Arena April 6, 7 and 8 when the National Amateur Athletic Union's Senior Men's Championships are staged.

Patrick Duffy, National AAU boxing chairman, has predicted this year's tournament will be biggest ever, with possible 200 boxers being on hand to decide 11 champions and United States representatives to the Pan American Games in Canada this summer.

"There has been no slowdown in boxing in the military camps because of Vietnam," Duffy said. "In fact, there has been an increase in boxing activity and as a result this year's field could be the best ever to compete."

This year will mark the first time the National AAU tournament has been staged on the West Coast. The San Diego Union and Evening Tribune will sponsor the event, the Southwest Association AAU.

Since there will be no eliminations here to decide San Diego boxers in the National AAU, it will be necessary for them to go to Los Angeles to participate in a tournament to determine contestants for the April first show in San Diego. Los Angeles plans to match the AAU winners and Golden Gloves winners to select the 11 best fighters for the big tournament, first boxing in the new Sports Arena.

There will be afternoon and night fights all three days, public interest of development that affect the public health.

Sincerely yours,  
J. B. Askew, M.D.  
Director of Public Health  
County of San Diego

starting at 1 and 8 p.m. Championship quarterfinals will be held the evening of April 7 and after semifinals the afternoon of April 8, champions will be decided that night.

Ticket prices range from \$1 to \$10 each fight.

## Chestmobile Slated For Health Center

The Chestmobile will make its February visit to the El Cajon Health Center, 113 E. Douglas Ave., on Thursday, Feb. 23, instead of the usual fourth Wednesday of the month. Dr. J. B. Askew, director of the San Diego Department of Public Health, said the schedule has been changed because the fourth Wednesday falls on George Washington's birthday, a holiday.

X-ray hours are 9 a.m. to noon and 1 to 4 p.m. Dr. Askew said that in March the Chestmobile will keep its regular schedule at El Cajon on Wednesday, March 22, from 9 a.m. to noon and 1 to 4 p.m. The Chestmobile will also be in operation Thursday, March 23, from 9 a.m. to noon.

Persons 21 years of age and over may have chest X rays taken at the Chestmobile. Foodhandlers under 21 years of age, who are required by local ordinance to have a chest X ray, are also eligible for this service.

## SV Bobbysoxers Hold Try-Outs

Girls of the Spring Valley area who were unable to register for S.V. Bobby Sox (softball) League recently, may do so Saturday, Feb. 18 at Bancroft School playing field. A birth certificate or a copy must be presented with the application.

During the day tryouts will be held for the 1967 season. Girls eligible for the minors (9 through 11-years of age) will try out at 9 a.m. Those eligible for the majors (12 through 14) will try out at 1 p.m. Approximately 180 girls will be needed to fill positions on six major and six minor teams.

For any further information phone either Winnie McPherson at 463-8637 or Martha Jones at 479-0950.

The Nation's transit riders are benefitting from 53,175 new seats purchased with the assistance of the U. S. Department of Housing and Urban Development during 1966. Twenty-seven cities in 16 states and Puerto Rico participated in HUD's urban mass transportation capital grant program during the year to purchase 1037 new buses, 35 new rail commuter cars and aid in the rehabilitation of 26 other buses.

## Ready for Flood Project Says L. Van Deerlin

WASHINGTON — The United States is ready to move at once to begin work on the international flood control project proposed for the Tia Juana River Valley, Rep. Lionel Van Deerlin, D-San Diego, said Thursday.

As soon as the United States and Mexico reach formal agreement on how to build and manage the project, Van Deerlin said, the State Department will ask Congress for about \$1.1 million to design the flood control works.

The agreement is being negotiated at El Paso, Texas, by the U.S. and Mexican representatives on the International Boundary and Water Commission.

Van Deerlin predicted that the pact will be signed in the near future, in time for Congress to make an appropriation before the current budget year ends on June 30.

Legislation introduced by Van Deerlin and enacted by Congress last year authorizes the United States to contribute up to \$12.6 million for the project. Congress will be asked to provide funds for construction as a second step following the appropriation of the design money.

As its share, the City of San Diego will guarantee about \$4.19 million for the project and the Government of Mexico will add approximately \$7 million. The project is tentatively scheduled for completion in 1969.

## VFW Post Sponsors Pancake Breakfast

The VFW Post, 2082 of Lemon Grove will hold a Pancake Breakfast from 8 a.m. to noon, Feb. 19 at the Post Hall, 2885 Imperial St., Lemon Grove.

A shrimp and fish fry is hosted every Friday evening from 6:30 p.m., by the Post.

**Resolution of Intention to Dedicate to the County of San Diego an Easement of Right of Way and Access Real Property belonging to the GROSSMONT UNION HIGH SCHOOL DISTRICT . . .**  
Road Survey No. 1477-66  
Parcel No. 66414  
On motion of Member Goode seconded by Member Svalstad, the following resolution is adopted: WHEREAS, the GROSSMONT UNION HIGH SCHOOL DISTRICT of San Diego County has requested the Road Department of the County of San Diego to relieve the traffic congestion by improving the intersection of Blossom Lane and Sweetwater Road in the vicinity of Spring Valley; and WHEREAS, in order to improve said intersection, the County of San Diego is acquiring right of way from property owners along Sweetwater Road and has requested this District to dedicate a right of way for public highway across real property belonging to said district adjoining said Blossom Lane and hereinafter described; and

WHEREAS, in the judgment of this Board, it is desirable and expedient that said dedication be made, NOW, THEREFORE, BE IT RESOLVED by the Governing Board of the GROSSMONT UNION HIGH SCHOOL DISTRICT of San Diego County, California, that this Board hereby declares its intention to dedicate to the County of San Diego an easement of right of way for public street and highway purposes over and across all that real property situated in the County of San Diego, State of California, belonging

to said District and more particularly described as follows: The south 10 feet of the north 30 feet of the west 100 feet of the east 250 feet of Lot 1, Resubdivision of West Avondale, according to Map thereof No. 1486 on file in the Office of the County Recorder of the County of San Diego.  
BE IT FURTHER RESOLVED that a public meeting be held by this Board at its regular place of meeting, Grossmont Union High School District Board room, Murray Avenue, Grossmont, Calif., San Diego County, California, on March 6, 1967, at 7:30 p.m., at which time and place all persons interested may appear and show cause, if any they have, why said dedication should not be made.  
BE IT FURTHER RESOLVED that notice of the adoption of this resolution and of the time and place of holding said meeting shall be given by posting copies of said resolution signed by the members of this Board, or by a 2/3 majority thereof, in three (3) public places in said District, not less than ten (10) days before the date of said meeting and by publishing this resolution once not less than five (5) days before the date of said meeting in the Lemon Grove Review, a newspaper of general circulation published in said County and having a general circulation in said District. ## LEGAL NOTICES

For directory advertising, in-  
creases would result from an in-  
crease in the number of circula-  
tion rate groups, a change in the  
method of determining circula-  
tion rate groups and an increase  
in the level of rates within the  
new rate groups.  
Key telephone rates would be  
increased. At the same time, rates  
for this service would be packag-  
ed and simplified. There are also  
increases in the rates for Centrex  
stations, a wide range of mis-  
cellaneous equipment services, in-  
tracommunications, private line channels,  
and certain features of public mo-  
bile telephone service.  
Changes in various charges for  
certain toll private line IX 30  
BAUD channels would decrease the  
rates for these services.  
The total increases are estimat-  
ed to amount to \$181,356,000.  
These increases are proposed to  
become effective upon grant of  
authority therefor by the Public  
Utilities Commission of the State  
of California and in various coun-  
ties and municipal corporations  
therein, including the County of  
San Diego, the City of La Mesa

## LEGAL NOTICES

For directory advertising, in-  
creases would result from an in-  
crease in the number of circula-  
tion rate groups, a change in the  
method of determining circula-  
tion rate groups and an increase  
in the level of rates within the  
new rate groups.  
Key telephone rates would be  
increased. At the same time, rates  
for this service would be packag-  
ed and simplified. There are also  
increases in the rates for Centrex  
stations, a wide range of mis-  
cellaneous equipment services, in-  
tracommunications, private line channels,  
and certain features of public mo-  
bile telephone service.

During the course, Burrows was trained to repair internal combustion engines and wheel-vehicle chassis components. Instruction was given in the fundamentals of electrical and transmission systems.

## PRIVATE ROBERTSON

Army Private James H. Robertson, 21, son of Mr. and Mrs. Carl Robertson, 3743 Olive St., Lemon Grove, completed a field communications crewman course at Ft. Ord, Feb. 3.

During the course, Robertson was trained to string wire from the field to the communication center. Instruction was also given in basic electricity, switchboard installation and operation and pole climbing.

**Navy Ladies to Meet At New LM Location**  
The Navy Ladies Social Club will meet for a celebration dinner, featuring the club's new location at the Heartland YMCA, 8881 Dallas, La Mesa at 7 p.m., Feb. 15.

The 26 year old organization has met for the past 15 years at the La Mesa American Legion Hall.

A business meeting will be held following dinner, with Mrs. Theodore Sprowls presiding.

Expect brake failure after driving through a large puddle of water on the road. The San Diego County Traffic Safety Council urges drivers to check brakes right away. If they don't function properly, pull over and depress the brake pedal while traveling slowly until the heat of friction dries out the brake linings.

## PRIVATE URBANAC

Army Private Carl D. Urbanac, 19, son of Mr. and Mrs. Carl M. Urbanac, 4107 Citra Drive, Spring Valley, completed a cooking course at Ft. Ord, Feb. 10.

During the eight-week course, Urbanac was trained in cake and pastry baking, meat cutting, and learned to prepare and serve food in Army mess halls and in the field.

## PRIVATE YACKO

Army Private First Class Joseph W. Yacko, 22, son of Mr. and Mrs. E. Joseph Yacko, 502 Osage St., Spring Valley, recently returned to the 4th Infantry Division base camp from "Operation Cedar Falls," the largest operation in Vietnam to date.

Yacko helped deny the Viet Cong use of the "Iron Triangle" as a staging center for attacks and acts of terrorism on the Saigon area.

Yacko is a supply specialist in Headquarters Company, 2nd Battalion of the division's 22nd Infantry.

## CYSTIC FIBROSIS

Basic research has brought breakthroughs that offer a glimmer of hope for victims of cystic fibrosis, Dr. John F. Herndon said Jan. 17.

Herndon, of New York City, medical-scientific director of the National Cystic Fibrosis Research Foundation, called the disease one of the most common and serious menaces to childhood.

The breakthroughs, he said, are miraculous. But he cautioned the parents of cystic fibrosis victims not to get their hopes too high since the advances are all still in the experimental stage.

He outlined the new advances as:

1—Use of an atomic analysis technique often used in crime detection to analyze toenail and fingernail clippings of newborn babies to identify cystic fibrosis victims at birth.

2—Discovery that a drug normally used for treating high blood pressure is highly effective for short periods of time—against cystic fibrosis.

Herndon outlined the work in basic research, and praised the medical team efforts in this field, in a visit to the San Diego Chapter, which has headquarters at 2026 C St., San Diego.

He pointed out that only 10 years ago cystic fibrosis was considered lethal, with few victims living beyond 10 years of age.

Today, he said, with proper early diagnosis and treatment, youngsters with cystic fibrosis are growing up and getting married.

The disease affects the respiratory system, sweat glands and digestive system, and strikes one out of every 1,000 babies, Herndon said. He said it kills more children than infantile paralysis did before development of a vaccine.

The researchers, Herndon emphasized, are looking for a control, similar to insulin injections used to combat diabetes.

Herndon said the use of neutron activation analysis on nail clippings is now being conducted on an experimental basis at the University of Washington at Seattle. The bombardment of cosmic bullets on the nail would show the amount of sodium (salt) in the baby, a tell-tale sign of the disease, Herndon explained.

## Peace Corps Slates Feb. 18 as Exam Date

San Diego area residents interested in putting their skills to use in developing nations around the world are invited to take the ePace Corps Placement Test at 1:30 p.m. on Saturday, Feb. 18, at Room 219, P.O. Bldg. 815 "E" St.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicate a limited language-learning ability, for example, the ePace Corps tries to place the applicant in an English-speaking country.) The Placement Test requires no preparation and is non-competitive—an applicant can neither pass nor fail.

## 'Shot' Clinics To Use Air Guns

The usual hypodermic needles will not be used at the End Measles vaccination clinics on Feb. 25 and 26. For the first time in San Diego County, ultra modern, hypo-spray electric jet immunization "guns" will be used in a public vaccination program. The electric jet-injectors have been used for over 10 years by the military.

Dr. J. B. Askew, Director of the San Diego Department of Public Health, said yesterday the health department is receiving 16 of the "guns" on loan from the State Department of Public Health and the U.S. Public Health Service.

A doctor and nurse team using the conventional needle and syringe method can give only 300 to 400 injections in an hour, Dr. Askew said. A physician operating an electric, hypo-spray jet-injector can vaccinate up to 1,000 people in the same length of time.

Dr. Askew said the electric jet-injectors are designed specifically for mass immunization. They hold a large enough vial of vaccine to immunize 50 children without reloading. The jet-injectors do not have a needle. They are hydraulic powered, and a jet of vaccine is sprayed through the skin of each child being immunized. The discomfort for the child is less than the old method using a needle.

Dr. Askew added that in addition to its speed, the jet-injector is safer and less expensive to operate.

Some 100 physicians who volunteered through the San Diego County Medical Society to donate their services at the measles clinics are attending five orientation sessions at different locations in the county to familiarize themselves with the maintenance and operation of the jet injectors.

The actual measles vaccination clinics will be held in the City of San Diego on Saturday, Feb. 25, and in other county areas on Sunday, Feb. 26, from noon to 4 p.m. Children from 1 through 9 years of age who have not had measles or measles vaccine will be immunized.

## Women Voters Speaker Booked At La Mesa Club

**AN EXEMPLAR TEEN** — Tom Irwin, the 17 year old son of Mr. and Mrs. John G. Irwin, 3642 Fairway Dr., La Mesa, sits at the control panel of radio station KPRI, where he has his own show five nights a week from 6-8 p.m., and on Saturdays from 6-12 p.m. Upon graduation from Mt Miguel High School, where Tom is a junior, he plans on attending San Diego State College, majoring in business, with a broadcasting minor. The ingredients of this success story are talent, determination and the right breaks, as Tom attributes his start in the "business" to the efforts and

advice given to him by such radio people as Ray Willis, Lee Shoblom, Jim Price, Robin Scott, and Frank Thompson. When asked "How did these men help you," Tom said, "they taught me how to use the board and run a radio station. In fact, it was seeing his first disc jockey, Frank Thompson, on remote that influenced Tom's career, as he said 'broadcasting has always fascinated me.' Tom has two brothers; Greg, a Claim's Representative in Sacramento and Robert, State Department employee, assigned to Brussels, Belgium.

## Independent Fee Appraisers Ask Lower GI Loan Interest

The National Association of Independent Fee Appraisers has gone on record to try to get lower interest rates for G.I. loans.

Local members include Kenneth Copeland, El Cajon, Marvin G. Marquardt, Lemon Grove and Ervin Altom, San Diego.

National president William Friday has gone to Washington to talk to Senator John Sparkman, Chairman of the Senate Banking Committee in an attempt to get the present 6% rate lowered to 5½% in line with the current bank rates.

The Association feels that the brave men who sacrificed so much in order to preserve the right of all of us should be the first to enjoy the lower interest rates.

The National Association of Independent Fee Appraisers is made up of appraisers not on salary with any corporation, governmental agency or private financial organization and their goal is to remain independent.

Geese are used by some farmers to keep weeds out of cotton fields and strawberry beds. Feed is placed at one end of the crop rows and water at the other. The geese eat the weeds as they travel up and down the rows. Since they do not like cotton or strawberry plants these are not disturbed.

Indian Chiefs Cochise and Geronimo had their hunting grounds near what is now Douglas, Ariz.
